# ANNUAL NATIONAL ACCOUNTS SURVEY USER GUIDE/CODE DEFINITIONS & INDEX

Please use this user guide to look for definitions of codes in the *Annual National Accounts Survey* Form. These codes appear here in chronological order. If you have queries, please contact Selburn Christian (244-4676).

## D1100 Wages, salaries and benefits

The gross amount paid to employees engaged in direct production, selling, and other operating activities. Include: employee pension contributions, payments, bonuses, stock options, commissions (paid to employees), gratuities and tips, cost of living allowances, directors' fees, wages paid during vacation and sick leave, advisory board fees, cost of meals, housing and other benefits covered for employees, expenditure on sports and recreational facilities and amenities at a place of work and other remuneration in kind. Exclude reimbursements of expenses for entertainment and travel, tools & equipment, expenditure on uniforms, medical examination; include those in item **P2900**. Also, exclude redundancy payments and pension payments to past employees, include in item D7520.

# D1210 Employer's contribution to pension & health schemes

Include employer's payment to pension, health, and other schemes on behalf of all employees. Exclude all non-health insurance payments, and include them in item P2900.

## D2143 Hotel occupancy tax paid

Include hotel occupancy taxes paid to the government.

## D2990 Licences and fees paid to government

Include all license and fee payments to the government for which no direct service is received. Include: motor vehicle licence fees, company licence fees (e.g. liquor licence fees, bank and trust fees, building permit fees, planning fees, etc), company registration fees, trade & business licences fees, professional licences, garbage fees (exclude those paid to private entities and included in P2990), stamp duties, fees paid to OfReg and other fees paid to the government on behalf of a business, excluding CIMA fees (see P2900). Exclude: hotel occupancy tax paid (see D2143), import duty (see P1129, P2111, P2120-P2170) and work permit fees (see P2900)

# **D4001 Interest, dividends and land rents received** Interest and dividends received during the period from local businesses as well as land rents received.

# D4009 Interest, other finance costs and land rents paid

The outflow of funds related to the cost of borrowing money. Income payable by the users of financial assets (e.g. interest payments, dividends, etc) land and sub-soil assets, to owners of such assets.

## D4110 Interest received (Institutions involved in financial intermediation only)

Interest received by owners of financial assets, etc.

# D4190 Interest paid (Institutions involved in financial intermediation only)

Interest payable on deposits, loans, securities, etc. Include: Interest paid by depository and lending institutions and other financial institutions.

# D4211 Dividends received (Institutions involved in financial intermediation only)

Income received by shareholders as a result of placing funds at the disposal of corporations (including companies, cooperatives, limited liability partnerships, etc.). Dividends cover all distribution of profits by corporations to their shareholders.

# D4219 Dividends payments (<u>Institutions</u> involved in financial intermediation only)

Income paid to shareholders as a result of placing funds at the disposal of corporations (including companies, cooperatives, limited liability partnerships, etc.). Dividends cover all distribution of profits by corporations to their shareholders.

# D4500 Land rents received (Institutions involved in financial intermediation only)

Income received from the letting of land or other tangible non-produced assets (e.g. sub-soil assets).

# D4509 Land rents paid (Institutions involved in financial intermediation only)

Payments for the use of land or other tangible non-produced assets (e.g. sub-soil assets).

# D6101 Pension fund and annuity scheme contributions received/receivable (insurance only)

Actual amounts payable to pension funds during the accounting period.

# D6220 Pension fund benefits paid/payable (insurance only)

Actual amounts payable to households by insurance enterprises administering pension funds and annuity schemes during the accounting period.

# D7101 Gross non-life insurance premiums received/receivable (insurance only)

Actual non-life insurance premiums payable by policyholders to obtain insurance coverage during the accounting period. This should be broken down as per the categories on the questionnaire.

# D7200 Non-life insurance claims paid/payable (insurance only)

Actual amounts payable in settlement of non-life insurance claims that become due during the current accounting period (reporting period).

# D7511 Grants, subsidies, donations and subventions received (exclude capital grants)

Current transfers from the government. Also include donations and grants by businesses, households, or from overseas (if not separately specified). Capital grants should be reported in the Balance Sheet section under the particular capital item.

# D7520 Bad Debts, net of recoveries, redundancy & donations $\$

Bad debts written off, less bad debts recovered during the year, plus scholarships, gifts and other charitable donations, cash "shorts" less "overs", employee fraud, and staff loan write-off. Also, include severance and redundancy payments and pension payments to past employees. **Exclude:** provision for bad debt.

## F6110 Gross life insurance premiums received/receivable (insurance only)

Actual life insurance premiums received/receivable from policyholders during the accounting period.

# F6119 Life insurance claims paid/payable (insurance only)

Actual amounts payable in settlement of life insurance claims that become due during the current accounting period (reporting period).

# F6201 Change in life insurance actuarial reserves (insurance only)

Change in life insurance reserves against outstanding risks and claims including prepayments of premiums, calculated as the value of the reserves at the end of the current period **minus** the value of the reserves at the beginning of the period **excluding** holding gains or losses.

# F6202 Change in pension fund mathematical (technical) reserves (insurance only)

Changes in the reserves of pension schemes comprising special funds held against outstanding risks and benefits, and as prepaid contributions, calculated as the value of the reserves at the end of the current period **minus** the value of the reserves at the beginning of the period **excluding** holding gains or losses.

## F6203 Change in claim reserves (insurance only)

Reserves held by insurance enterprises to cover the amounts they expect to pay in respect of claims not yet settled or that may be disputed - outstanding claims including prepayments of premiums. Indicate the change as the value of the reserves at the end of the current period **minus** the value of the reserves at the beginning of the current period **excluding** holding gains or losses.

## K1000 Depreciation and amortization

The decline in the value of fixed capital assets in the current period due to physical deterioration, normal obsolescence or normal accidental damage.

## K1120 Holding gains/ (losses)

Include increases or (decreases) in the value of assets or liabilities accruing to its owner purely as a result of holding said assets or liabilities over time, without transforming them in any way (e.g. foreign exchange gains/losses or profit/loss on disposal of fixed assets). Foreign exchange gains/losses resulting from the changes in the exchange rate due to currency appreciation/depreciation. Also include derivative gains/(losses) whether realized or unrealized. Derivatives are financial instruments whose value is derived from the value of something else (e.g. futures, forwards, options and swaps). They are normally used to reduce risk (hedging).

## P1111 Sales of goods and services

The amount earned from selling products and services. Include: receipts from the sales of goods and services, net of refunds and discounts. Please note industry-specific instructions below for P1111:

**Manufacturing** – include income from the sale of goods produced by the business unit and any associated installation and repair receipts.

**Electricity** – include income from the generation, transmission and distribution of electricity. Include: sale of electricity to residential, commercial, and industrial customers.

**Construction** — include income from new construction, major additions, repairs and maintenance. Value of work performed Include change in work-in-progress, i.e. the value of construction work actually put in place during the current period on projects that take longer than one

accounting period to complete (whether paid for or not). Include the value of any portion of work subcontracted to others.

**Wholesale & Retail** – include fees and commissions of commission agents, manufacturers' representatives, auctioneers, etc.

Financial Services - include all international and domestic business activity conducted by local or resident establishments, but exclude the operations of overseas subsidiaries and associates of these establishments. Include all commission and fee income earned from services provided. (e.a. commission earned on foreign exchange transactions, loan fees, fund management fees, consultancy fees, merger and acquisition fees, trustee fees, estate fees, head office fees, standing order fees, etc.).

**Development banking** – Include all commission and fee income earned from services provided. (e.g. loan fees, consultancy fees, etc.).

Mutual funds – include revenue from new issues, principal transactions, commissions, brokerage, etc. New issues revenue refers to the underwriting revenue, trading, profits/losses and commissions on the placement of new issues, including commissions and consulting fees on short-term paper. Principal transaction revenue refers to revenue generated from acting as the principal in securities transactions. Brokerage income refers to the commissions from trading securities by acting as agents for clients. Include all fee income earned from services provided. (e.g. fund management fees, consultancy fees, merger and acquisition fees, trustee fees, estate fees, head office fees, etc.).

**Communication services** – include revenue from fixed and mobile telephone service, telephony via the internet (e.g. voice over internet service) television cable service, internet service, courier service, etc.

**Business services** – include revenue earned from the main services provided by the business (e.g. legal, accounting, consulting, etc.).

Software development and computer services – include revenue from packaged software products (including sales, rental, leasing and/or licensing), computer systems design and related services (e.g. technical consulting services, network design, customization of packaged software, hardware and software support, etc), data processing and hosting (e.g. data storage, data management, etc) and computer hardware sales (e.g. sales of hardware of own manufacture and purchased for resale).

**Agriculture and fishing** – include total receipts from the sale of crops, livestock, milk, eggs, honey, fish, etc. and all types of service activities.

# P1112 Sales of <u>other</u> goods and services. Please note industry-specific instructions below:

**Water Supply** – include income from treating and distributing water. Include; sale of water to residential, industrial, and commercial customers (including bulk water for resale by other private or public water utilities) and other operating revenues.

**Mining & Quarrying** – include income from mining activities (if any) and the sale of quarry products: building stone, sand, pebbles, gravel, clay, lime, etc.

**Repair Services** – include income received from the maintenance and repair of motor vehicles.

**Hotels & Restaurants** – include total receipts from all restaurants, cafeterias, canteens, snack bars, catering and take-out facilities. Also include receipts from the sale of alcoholic beverages.

**Real Estate & Renting** – include income in respect of property development, management, appraisal, agency services, strata fees received, etc.

**Private Non-Profit Institutions** – include contributions received by non-profit institutions from their members and affiliated organizations, including membership dues and subscriptions. **Exclude** grants

or contributions from the government; **item D7511**. **Business services** – include revenue earned from any other professional services provided (other than the main services provided by the business).

# P1113 Sales of secondary goods and services. Please note industry-specific instructions below for:

**Repair Services** – include income received from repair and installation services other than for motor vehicles.

**Hotels & Restaurants** – include total receipts from other departments such as newsstands, tour desks, gift shops, pro shops, rental of banquet halls and convention facilities, etc.

## P1121 Sales of goods purchased for resale

Include any receipt from goods resold without being further processed, net of rebates or discounts.

#### P1129 Purchases of goods for resale

Actual payments for goods for resale within the specific period, gross of customs duties and port charges, but net of any refunds and discounts received.

## P1189 Other operating income

All other income from other sources related to the business not specifically identified above, e.g. commissions, repair work, delivery of products or goods, etc. **Exclude:** bad debts recovered (**Item D7520**), holding gains including foreign exchange gains and losses, and profit from the sale of fixed assets (**Item K1120**).

## P1610 Rental/lease income from buildings

Include the income from the rental of buildings or office space, gross of real estate fees and commissions paid or other deductions.

## P1630 Rental/lease income from machinery, equipment and vehicles

Include the income from the rental of machinery, equipment or vehicles.

# P2111 Purchase of agricultural materials and supplies (agriculture and fishing only)

Include: seeds, cuttings and other planting material, fertilizer, other agricultural chemicals and supplies, animal feed, fishing nets and supplies, including customs duties, etc.

## P2120 Purchases of raw materials, supplies and components

Include all expenditure on raw materials, supplies and components used in the production process. This should include all auxiliary materials and packaging material, inclusive of custom duties.

## P2130 Purchases of construction materials and supplies (construction only)

All building supplies, including timber, quarry products, cement, concrete products, steel, port charges, etc. Also include all auxiliary materials, water, cost of quarrying supplies and office supplies, inclusive of custom duties.

# P2140 Purchases of other materials & supplies (wholesale and retail trade only)

Include all expenditure on materials, supplies and components used in the production process. This should include all auxiliary materials, packaging material and office supplies, inclusive of custom duties.

## P2160 Fuels expenses

Include expenditure on gasoline and diesel used in business vehicles, kerosene, gas oil, propane and other fuel oils, lubricating oils, etc.

## P2170 Purchase of materials and supplies

Include expenditure on stationery and other office supplies, gross of customs duties and port charges.

## P2211 Repair and maintenance of machinery & equipment

Include amount paid to mechanics and machinists for routine maintenance and repair work of boats, boat engines, industrial machines, radio equipment, construction equipment, tractors, parts, servicing, labor costs, etc. **Exclude** motor vehicle repairs & maintenance **(P2300)**.

## P2220 Electricity and water

Include all expenditure on electricity and water for the period.

## P2230 Payment to subcontractors for construction work (construction only)

The amount paid to outsource construction work for short periods. Include: work done by paint contractors, electricians, plumbers, etc.

#### P2240 Minor building maintenance and repair

Include expenditure on minor repair and maintenance work (e.g. repair and painting of roofs, exterior walls, foundation, flooring, ceiling, partitions, doors, windows, plaster, structural ironworks, screens, window shades, venetian blinds, plumbing, heating and air conditioning within or a part of the building, electric wiring, and light fixtures, etc.). Major repairs should be considered as additions to the value of buildings (see item P5114ii).

## P2300 Maintenance and repair of motor vehicles

Include all amounts paid to mechanics and petrol service stations for labor and materials.

## P2411 Transport, Freight and haulage costs

Include all expenditure on the movement of human or material resources, to or from the company. Include local freight charges incurred by truckers, taxi costs used to transport visiting business professionals, and container rental storage. Also include airline tickets purchased for business purposes only. Courier costs are to be included in item **P2900**.

## P2510 Bank charges

Include checkbook charges, credit card commissions, draft charges, foreign exchange commissions, monthly service charges, wire transfer charges, etc. **Exclude**: Interest paid on loan amounts and overdraft facilities and include in **item D4009**.

## P2610 Rental/lease payment for buildings

Include all expenditure for the rental/lease of real estate, buildings, office space and meeting rooms.

## P2620 Real estate commissions paid (real estate only)

Include payments for real estate agency services, property management and development, property appraisal, etc. to agencies or individuals external to the company. **NOTE**: commissions earned by employees of the business are to be included in **D1100**.

# P2630 Rental/lease payment for machinery, equipment and vehicles

Include expenditure on the rental or leasing of furniture, computers, or other forms of equipment. **Exclude** lease purchase agreements and deferred payment plans on the purchase of equipment.

## P2700 Computer services and maintenance of office equipment

The amount paid for computer maintenance and repair, computer site preparation, data processing, and

database production. Include: repair and maintenance of calculating machines, accounting machines, digital and analog computers, associate electronic data processing equipment and accessories, etc. Exclude: purchases of computer software (Item P5120ii) and hardware (Item P5116ii).

## **P2810 Professional services**

Include: legal, accounting, audit, consultancy fees, management advisory, management fees, trust fees, temporary staff hired through employment agencies, outsourcing of inventory counting, corporate and administrative, payroll processing fees, and relocation services/assistance, etc.

# P2900 Other operating, selling and administrative expenses

Include all other current items of expenditure including work permit fees, garbage fees (exclude those paid to the government and include in D2990), telephone, internet, non-health insurance payments (e.g. motor vehicle, property, marine, casualty, theft, keyman, etc.) advertising and promotion, patent fees, copyrights fees, franchise fees, royalties, subscriptions, security, recruitment costs, training costs, building cleaning and other services, staff training, commissions paid to non-employees, etc. Include fees paid to CIMA. **Exclude:** bad debts, extraordinary items and other non-current items. Also exclude expenditure of R&D, computer software and databases (see Item **P5120**).

## P5114 Land, buildings, leasehold improvements & other structures

Include the total value of the stock of new and existing land, buildings and other structures owned by the enterprise at the beginning of the year. Include in **acquisitions** the value of new purchases and assets acquired or produced on own-account in the period. Also include the value of land improvements, extensions and major renovations to existing buildings and other structures (including leasehold improvements). Record under **disposals** any assets sold, surrendered, scrapped or demolished.

#### **P5115 Motor vehicles**

Include the total value of the stock of all new or second-hand transport equipment at the beginning of the year. Under **acquisitions**, record any new purchases or assets acquired during the period. Include any major improvements made to these assets. Assets sold, surrendered or scrapped during the period should be recorded under **disposals**.

# P5116 Plant, machinery, furniture, equipment and other fixed assets

Include the total value of the stock of all new or second-hand machinery and equipment, furniture and furnishings, computer hardware, photocopiers and other durable goods purchased or produced during the year. Include in **acquisitions** the value of new purchases and assets acquired or produced on own-account in the period. Also, include any major improvements made to these assets. **Disposals** should include the value of all assets sold, surrendered or scrapped during the period.

# P5120 Intangible assets, e.g. computer software, databases and expenditure on research & development (R&D)

Include the value of all intangible assets (e.g. copyrights, databases, computer software, intellectual property products, etc.) expected to be used for more than one year. Also include the value of mineral exploration and evaluation, entertainment, literary and artistic originals. The value of R&D, databases and computer software can be determined by the cost of producing it if the value is not observed directly. Databases consist of files of data organized in such a

way as to permit resource-effective access and use of the data. **Acquisitions** include expenditure on R&D, i.e. work undertaken on a systematic basis to increase the stock of knowledge, and use of this stock of knowledge to discover or develop new products (goods and services), including improved versions or qualities of existing products, or discovering or developing new or more efficient processes of production. It also includes purchases of packaged software and database management systems. **Exclude:** computer maintenance and repair (see Item **P2700**), rental and leasing of computer equipment (see Item **P2630**).

## P5200 Change in inventories

Include the total value of all inventories at the beginning and end of the period. Include the value of finished goods, goods purchased for resale, work-in-progress and materials and supplies held in stock.

## P5211 Closing inventory of produce and livestock (agriculture only)

Include the value of produce held in stock and livestock for slaughter at the end of the accounting year.

# P5219 Opening inventory of produce and livestock (agriculture only)

Include the value of produce held in stock and livestock for slaughter at the end of the accounting year, allowing for wastage and damage.

# P5221 Closing inventory of work-in-progress & finished goods

Include the value of work-in-progress and finished goods held in stock at the end of the accounting year.

# P5229 Opening inventory of work-in-progress & finished goods

Include the value of work-in-progress and finished goods held in stock at the beginning of the accounting year, allowing for stock losses due to wastage, theft or damage.

## P5231 Closing inventory of goods for resale

Include the value of stocks of goods for resale at the end of the accounting year.

## P5239 Opening inventory of goods for resale

Include the value of stocks of goods for resale at the beginning of the accounting year, allowing for stock losses due to wastage, theft or accidental damage.

## P5241 Closing inventory of raw materials and other supplies

Include the value of stocks of raw materials and other supplies (e.g. office supplies) at the end of the accounting year.

## P5249 Opening inventory of goods for resale

Include the value of stocks of raw materials and other supplies (e.g. office supplies) at the beginning of the accounting year, allowing for stock losses due to wastage, theft or accidental damage.

## P5311 Number of full-time employees

Full-time employees are those individuals working 30 or more hours per week.

## P5312 Number of part-time employees

Part-time employees are those individuals working less than 30 hours per week.

**Salaried Employees** – Include here employees who are paid the same amount per pay period no matter how much work they do or how many hours they work.

**Wage-earners** – Include those who work by the hour, day or week for wages and not a fixed salary (e.g. hourly rated employees whose pay is expressed in a set number of hours).
