The Manager

Dear Sir/Madam:

The Economics and Statistics Office (ESO) is conducting the 2024 round of the [Annual National Accounts Survey](#). The survey is the primary data source for estimating the Cayman Islands' Gross Domestic Product - GDP (i.e. the total dollar value of all goods and services produced in the local economy annually) and the economic contribution of all industries. The survey includes businesses, non-profit institutions and government establishments. For more information on the survey and the GDP Reports for recent years, please visit our website (www.eso.ky).

We sincerely seek your cooperation in completing the enclosed questionnaire by [JUNE 14, 2024](#). Your response is safe, [CONFIDENTIAL](#) and will not be made available to any party outside of ESO. Section 17 of the Statistics Act (2016 Revision) prohibits the communication or publication of any individual or identifiable business information. Therefore, the information collected by the ESO is exempted and cannot be disclosed to other parties under the Freedom of Information Act (FOI).

Completion of the questionnaire is a legal requirement under Sections 11 and 14 of the Statistics Act (2016 Revision) and is therefore [MANDATORY](#). A user guide is enclosed to assist with the completion of the questionnaire. An electronic version of this questionnaire is available on the ESO website. For further queries or assistance, please do not hesitate to contact Mr. Selburn Christian at 244-4676 (selburn.christian@gov.ky), Mr. O'Dayne Plummer at 244-4608 (o'dayne.plummer@gov.ky), Mr. Joseph Anderson at 244-4615 (joseph.anderson@gov.ky) or Ms. Francine Wright at 244-4624 (Francine.Wright@gov.ky).

If any of your company's contact details in the address above (e.g. Name, PO Box, Address, etc.) has changed, please email the corrections to (or call) any of the above-mentioned ESO staff.

Thank you in advance for your timely submission, cooperation, and effort.

Sincerely,

Adolphus Laidlow
Director
