The Manager

Dear Sir/Madam:

The Economics and Statistics Office (ESO) is again conducting the [Annual National Accounts Survey](#). The survey serves as the primary data source for estimating the Cayman Islands' Gross Domestic Product - GDP (i.e. the total dollar value of all goods and services produced in the local economy annually) and the contribution of all industries. It includes businesses, non-profit institutions and government establishments. For more information on the survey and the GDP Reports for recent years, please visit our website (www.eso.ky).

We sincerely seek your cooperation in completing the enclosed questionnaire by [JULY 17, 2020](#). Your response is safe, **CONFIDENTIAL** and will not be made available to any party outside of ESO. Section 17 of the Statistics Law (2016 Revision) prohibits the communication or publication of individual or identifiable business information. Therefore, such statistical information collected by the ESO is exempted and cannot be disclosed to other parties under the Freedom of Information Law (FOI).

Completion of the questionnaire is a legal requirement under Sections 11 and 14 of the Statistics Law (2016 Revision) and is therefore **MANDATORY**. A User Guide is enclosed to assist with the completion of the questionnaire. An electronic version of this questionnaire is available on the ESO website. For further queries or assistance, please do not hesitate to contact Mr. Selburn Christian at 244-4676 (selburn.christian@gov.ky), Mr. O'Dayne Plummer at 244-4608 (O'Dayne.plummer@gov.ky) or Mr. Joseph Anderson at 244-4615 (joseph.anderson@gov.ky).

If any of your company's contact details (e.g. Name, PO Box, Address, etc.) is different from what appears in the address above, please email the corrections to (or call) any of the above-mentioned ESO staff.

Thank you in advance for your kind cooperation, effort and timely submission.

Sincerely,

Adolphus Laidlow
Director
