

## 2. EDUCATION

### A note on the International Standard Classification of Education (ISCED)

The world's education systems differ considerably, both with respect to their structures and to their curriculum contents. As a consequence, it is often difficult for national educational policy makers to compare their own education systems with those of other countries.

UNESCO has for a long time been concerned with the design of an International Standard Classification of Education that would facilitate comparisons of education statistics and indicators of different countries on the basis of uniform and internationally agreed definitions. The present version, known as ISCED97 was formally adopted in November 1997.

Guidelines to ISCED97 can be downloaded from the UNESCO Institute for Statistics website; [www.uis.unesco.org](http://www.uis.unesco.org). The table below is a template on how to classify educational programmes in the Cayman Islands by ISCED levels, which starts at the lowest level (0) for pre-primary.

<b>Educational programme</b>	<b>Educational Attainment</b>	<b>Enrolment</b>
Pre-primary	0	0
Primary Yr 1-5	0	1
Primary Yr 6	1	1
Middle Yr 7-8	1	2
Middle Yr 9	2	2
High School Yr 10-11	2	3
High School Yr 12	3	3
Vocational	4	4
Community College	4	4
College/University, short	5B	5B
University, first stage, long	5A	5A
University, post-graduate	6	6
Not Stated	9	9

Note: ISCED level 6 means "leading to an advanced research qualification", that is earned Doctorate (Ph. D.). Hence, "Masters" should be classified as 5A and not at level 6. ISCED level 5A contains educational programmes at university normally of the length of 3 – 5 years, sometimes longer. Hence, Bachelor, Masters and first professional (law, dentistry, medicine, veterinary) degree programs are all classified as 5A.

In addition to levels of education ISCED97 contains a classification of education programmes in the Fields of Education. Eurostat (the statistical office of the European Union) has published a more detailed manual on Fields of Education and Training.
